MEMORANDUM FOR THE RECORD

SECURITY INFORMATION

20 November 1951

SUBJECT: Training Advisory Committee Meeting 14 November 1951

Met at 1400. Adjourned at 1600.

25X1A9a

Present: [REDACTED]

SUBJECTS ON AGENDA

1. Maritime Training problem presented by [REDACTED]
(for details on presentation see Joint Training Committee file
Minutes of 15 November 1951, No. 4).

25X1A9a

The project was approved, in principle, by the Advisory
Committee and referred to the Joint Training Committee
as recommended by the study presented by [REDACTED]

2. Extension of OC from 4 to 5 weeks. Presented by Mr.
[REDACTED]

25X1A9a

It was pointed out that in view of the increased student
load the instructional standards were of necessity falling
off unless more time is given in training.

It was agreed that the operation course be extended
to 5 weeks, but that a further analysis be made of other
courses to determine items to be deleted or shortened to
attempt to continue the overall training course at a
maximum of 13 weeks.

3. Personnel Requirements in TRC. A report was made by
Col. [REDACTED] that the operating offices have not furnished operationally
experienced personnel to date but have made requests to take
individuals by name.

To meet this problem, it was recommended that at a
meeting sponsored by [REDACTED] and
Mr. [REDACTED] will participate.

and this makes a terrific administrative burden on TRC.

The operating offices felt that this problem will cease to exist when amalgamation has taken place.
